Pre-Authorized Payment (PAP) Plan

Direct deposit to the Church's bank account brings more modern donation methods to the traditional means of placing the donation in a basket. The generic term is called Electronic Funds Transfer, it is called Pre-Authorized Payment (PAP) by the banks, and St. Augustine's uses the Pre-Authorized Payment (PAP) system.

The primary benefits for a contributor is:

- Peace of mind in knowing you are doing your part.
- Convenience in giving.
- Worry free support to your Church whether you are able to be at Church or not - particularly valuable for shut-ins, snow birds, cottagers, or travelers.

The primary benefits for the Parish is:

- Regular donations throughout the year.
- Easier to plan and budget.
- Less risk.
- Requires less work for counting, depositing, and accounting.
- Requires less volunteer time for the counting teams.

The question always arises about how much to give. Of course there is no clear answer as it is always left up to an individual. Some guidance is provided in How Much.
