

PRAISE WORSHIP ANTHEM

TITLE: GOD'S CHILDREN, ONE BODY, THE CHOSEN OF THE LORD.

LYRICS AND MUSIC BY FR. JOHN OKOSUN [SEPTEMBER 9, 2023].

Antiphon

We are God's children!
We are one body!
We are the chosen of the Lord!
Gathered to worship!
From all the Nations!
Gathered to praise the living God!

Verses

1. We are created in God's image!
We are saved by the blood of Christ!
We are anointed by God's Spirit!
And set apart by God!
2. We are children, youths and adults!
We are white, brown and black!
But united in our vision!
To reign with God above!
3. We are families, friends and neighbours!
We are pilgrims, strong and weak!
But united in our resolve!
To help one another!
4. We gather to seek forgiveness!
For our sins, small and great!
We bow down our heads in prayer!
To seek your heavenly grace!
5. As we partake in this communion!
And are nourished by your Living Bread!
May we spread the grace we receive!
And fill the earth with peace!
